Night work and traffic changes on The Northern Road, South Penrith in May 2019

The Australian and NSW Governments are delivering The Northern Road upgrade between Narellan and South Penrith

Dear resident,

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we will install new utilities along the Northern Road, including electrical and water, at Jamison Road, Smith Street and Parker Street.

Map showing work location and night road closures
Location, date and time of works

To minimise impact on road users, utility installation will take place from Friday 10 May 2019 to Wednesday 5 June 2019, weather permitting. Night work hours will take place on Fridays between 10pm to 8am, Saturdays 10pm to 9am and 9pm to 5am on all other days. If work is delayed it will be conducted on the next available night shift.

How will the work affect you?

You will experience some noise and we will make every effort to minimise impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures and appropriate signage in place.

Electronic message signs will also be in place to direct road users through these changes between Maxwell Street and Derby Street. Detours will be in place via Fragar Road, Jamison Road, Colless Street and Bringelly Road during the road closures. Electronic message signs will also be in place to direct road users.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com.
